

MEXIPLAN INTERNACIONAL
TO BE SOLD OUTSIDE AMERICA CONTINENT

CAT **

APPLICATION AND OTHER CONDITIONS

APPLICABLE AREA:

Mexi-Plan applies for travel wholly within Mexico and to United States / Canada / Central America / South America.

CLASS OF SERVICE

These fares apply in coach and Premier Service.

BOOKING CODES

Following booking codes will apply.

FARE BASIS	BOOKING CODE
DMPI (Premier Service)	D for Aeroméxico's flights
QMPI (Coach Service)	Q for Aeroméxico's flights

FARE LIST

Apply the following fares per cabin.

ZONA	TICKETED POINT	USD DOLLAR ONE WAY	
		COACH	PREMIER
1	0	395	159
2	396	560	184
3	561	788	209
4	789	1425	234
5	1426	1799	314
6	1800	2399	354
7	2400	-	713

TYPES OF TRANSPORTATION

Mexi-plan fares are published in one way and may be used to create round trip, circle trip and open jaws.

CAPACITY CONTROL

The Carrier will limit the number of passengers to be transported with Mexiplan's fares on any of its flights. Therefore such fares will not be necessarily in all flights.
Available seats per flight will be determined by carrier's best judgment.

OTHER RESTRICTIONS

- Full and sequential use of flight coupons is required
 - o Ticket (or electronic ticket) must be used in the same order on which it was issued, if this order is altered or the first flight coupon is unused, the entire Mexiplan ticket will be invalid.
- These fares do not apply retroactively.

MEXIPLAN INTERNACIONAL TO BE SOLD OUTSIDE AMERICA CONTINENT

All fares, rules and conditions of transportation are subject to change (before departure) without previous notice.

CAT 01

ELIGIBILITY

Fares under this rule apply for any passenger flying on international travel with Aeromexico or Aeromexico Connect airline with connection on domestic sectors within Mexico or international sectors departing from any city within Mexico, provided connecting points are within Mexico and travel includes at least two coupons using MEXI-PLAN fares.

CAT 02
